

## **Route 66 Backers Go to Springfield**

Alderman Alonzo L. Sargent, Bloomington member of a special committee seeking the conversion of the present route 66 into a four lane highway from Joliet to Springfield, accompanied the group to the capital Wednesday to present a resolution to Gov. Henry Horner.

An appointment had been fixed with the executive for 2:30 p. m. Wednesday. The resolution was adopted at a meeting sponsored in Lincoln a week ago by the Association of Commerce of that city. Eighty representatives of municipalities along the proposed super highway attended the Lincoln session.

R. B. Phillips, Pontiac, is chairman of the committee. Other members are: Robert W. Troxell, Springfield; C. C. Johnson, Lincoln A. of C. secretary and John B. Anderson, Joliet. The committee held a preliminary conference in Springfield before they interviewed the governor.
